

After evaluation of the decision to cancel the 2021 *5K Carrera de los Muertos'* live race and listening to the concerns of all our supporters, we have decided to completely cancel the race this year. We have decided to refund all funds to all current paid registrants. In the coming days, we will notify all race registrants of this refund process.

Fifteen years ago, this race was conceived with the mission to showcase our neighborhood's colorful culture and pride, as we celebrate the special tradition of *El Dia de los Muertos*. This race was built by, and for, a community passionate to honor and remember friends and family who have passed on.

It is our intention to stay true to our roots and re-establish the reliability of the *Carrera de los Muertos* brand. We extend our sincere apology and look to immediately earn back your trust.

Sincerely,

UNO BOARD OF DIRECTORS
